WELCOME/APPROVAL OF MINUTES

The meeting was called to order at 9:00 a.m. by Co-Chair Pollack. He extended a welcome to all and roundtable introductions ensued. Consensus was reached to approve the December 9, 2009 meeting minutes.

COALITION BUSINESS

Coalition members with perfect attendance were recognized with a “certificate of perfect attendance”. Members who met perfect attendance for two years running were Easter Seals, Healthy Communities, and Mental Health Association. Other agencies recognized for perfect attendance: 7th Judicial Court, Health Planning Council of East Central Florida, The deMange Agency, UCP, Early Learning Coalition and Volusia/Flagler Family YMCA. An ice breaker activity was conducted and it was announced that the 2009 One Voice for Volusia Annual Report is now available online and at the Network Zone.

MONTHLY TOPIC: 2010 Strategic Plan & Proposed Coalition Meeting Improvements

Ms. Schlageter presented the 2010 draft Strategic Plan. She shared that the report details were derived from the November Strategic Planning session, as well as surveys and critiques completed by members throughout the year. She added that it was reviewed by the One Voice for Volusia Board of Directors last week. The report was accepted by general consensus. Discussion and other suggestions ensued.

Ms. Kennedy demonstrated the navigation of the Community Agenda website (www.agendavf.org). A handout was also provided. Ms. Schlageter demonstrated how to use the Community Connector (www.ovfv.org/connector.htm). A handout was also provided. The Deltona-based website, www.deltonaFORyou.org was also highlighted (handout).

NEXT MEETING/ADJOURNMENT

Co-Chair Rogers opened the floor to brief member announcements with a reminder to please fill out the critique forms. Co-Chair Pollack announced that the February topic will be a Census Presentation by Councilwoman Joie Alexander, stressing the importance of the survey and drawing funds to our area. There being no further business, the meeting was adjourned at 10:30 a.m. The next meeting will be held on Wednesday February 10, 2010 at 9:00 a.m. in Conference Room 516 C & A, Volusia County Health Department.

The results of the meeting critiques were:

- 23 responses
- 21 responded that the meeting was “productive” (2 did not respond either way)

The next meeting could be improved by:

- “All tables turned or rotated forward to see screen or person up front”
- “Liked the networking”
- “You all are doing a great job!”
- “Each meeting pick 2-3 members to explain what they do in three minutes. Keep record to avoid duplication.”
- “Having PowerPoint presentations on screen in backroom – unable to see front screen completely due to pillars”
- “I liked the suggestion to highlight different agencies each month”
- “Start announcements at the beginning rather than at the end”

What I liked about the meeting was:

- “I like all the meetings – they always provide an opportunity”
- “Info on website”
- “Community Connector handout & going over the website”
- “Well organized, upbeat & open to improving”
- “Double rooms GREAT!”
- “Overview of resources provided by OVFV – great!”
- “Great info about One Voice initiatives and how to access the information.”
- “Networking, announcing our event”
- “Information sharing”
- “Interaction of groups”
- “Information on Community Connector/Community Agenda”
- “Sharing amongst members of community events”
- “Learning about the Community Connector and all the data we can access”

Suggestions for “Topic of the Month”

- “Grants Research”
- “How to best use available data to improve services”
- “Case management providers”
- “May want to address prescription drug abuse. According to substance abuse professionals, it is now a bigger problem than illegal drug (cocaine, heroin, etc.) dependency. Tough to treat to the clients who are not the usual suspects.”
- “Mental health issues in children and all children in psych needs”
- “Senior services including health, housing and transportation”

Other Comments:

- “How to approach other agencies about collaboration”
- “Excellent meeting, leadership and staff good presenters”
- “How to find volunteers”
- “Is there a way to identify which of our agencies serve the same population?”
- “Need to get together faith based organizations to get out information in a simpler format than the previous survey.”
- “Always informative!”
- “Shazam. Good meeting.”
- “Some months, spend a bit longer on introductions by asking each agency to also give their “13 word description”
- “Is it possible for everyone who stands and announces an event/function to bring a brief summary of their announcement and give to staff who can then post them on the OVFV website? A new section of the website can be called “Network Zone Announcements” where these summaries can be placed.”
- “Difficult to have people speaking/commenting without microphone, at end of meeting have announcements go to a podium versus you having to run around the room”
- “Great meeting”
