WELCOME/APPROVAL OF MINUTES

The meeting was called to order at 9:00 a.m. by Co-Chair Steve Sally. He extended a welcome to all coalition members and guests. Roundtable introductions ensued. Consensus was reached to approve the May 14th meeting minutes.

COALITION BUSINESS: MEETING ANNOUNCEMENTS

Ms. Baird announced that this would be Co-Chair Sally's last meeting and she thanked him for his involvement, support, and commitment in his leadership role with the coalition over the last two years. Mr. Pollack will serve as incoming coalition co-chair beginning July 1st.

2008 STRATEGIC PLAN

Ms. Schlageter reported on behalf of the Systems and Data Committee and referred members to the *Request for Consideration* criteria and application. This application was designed in order for multi-agency groups to request technical assistance from One Voice for Volusia as resources are available (i.e. training, meeting facilitation, research and collection of data, and evaluation of project outcomes and effectiveness). Anyone interested should complete (in meeting packet and available online) and submit it to staff for committee review. In other updates, the Community Education Committee will meet July 22nd to review the progress of the 2008 Strategic Plan, possibly add new action steps and plan for the rest of the year.

TOPIC OF THE MONTH: YEARLY MEMBERSHIP SURVEY/SPEED NETWORKING

Staff led membership through several rounds and various instructions of a "speed networking" exercise. Co-Chair Sally introduced Scott Leduc, Einstruction, who facilitated the annual membership survey through the use of hand-held polling devices. As members were led through the survey, time was allotted to brainstorm and openly discuss relevant coalition topics/issues (i.e. redesign of website, etc.). Some suggestions included:

- Providing a quick link to past Community Connector items and job postings on the What's New page
- Make attachments to Community Connector submissions easier to send in/forward
- Utilize web training/resources in the future

During open discussion, the following suggestions were made to improve the coalition meetings:

- Have/invite/recruit additional representation from the following sectors: law enforcement/probation officers, elected officials, business leaders, more agencies dealing with housing/food/homeless issues, faith based organizations, schools/universities, healthcare/hospitals/doctors
- Pass out One Voice for Volusia Business description cards so members can pass them along to other people who ask about the coalition.

When the membership survey was completed, Ms. Baird announced that One Voice would be purchasing this system and would make it available to coalition members for use for certain projects.

CLOSING ANNOUNCEMENTS

Roundtable announcements ensued and members were directed to the Network Zone for additional information/flyers.
